

450mm Fire Extinguisher Backing Board – Pine Wood

Internal Code: FFE025

The 450mm fire extinguisher backing board is used to mount your fire extinguisher to the wall. The backing board prevents the wall from getting damaged when the bottle is used or bumped.

This backing board is made from Pine Wood, which is a darkish wood. The 450mm backing board is big enough to mount your 0.6kg DCP fire extinguisher, 1kg DCP fire extinguisher, 1,5kg DCP fire extinguisher, 2.5kg DCP fire extinguisher and 4.5kg DCP fire extinguisher.
